

2018 PRESIDENT'S CHALLENGE

As this is our 20th anniversary year I think the challenge should be one of CELEBRATION. So, what can we celebrate? The choice is yours but taking your theme from your fabric. This is a broad challenge. You can celebrate an event or occasion! You choose what you would like to celebrate. Look to your fabric for inspiration. We will be looking for something innovative.

One fabric is provided: You will choose a bag that contains 1 fat quarter (that will be your theme fabric).

You will draw 2 crayons from our crayon bag and those will be the ONLY other colors of fabric you may add to your theme fabric. You may have several fabrics, but only those 2 colors.

Size of quilt: Must be 20" square. It must be 3 layers thick (top, batting and backing) and quilted and finished edge.

You may use all of the theme fabric or just a portion but it must be enough to recognize the fabric and be on the front of the quilt.

You may embellish the quilt in any way.

Attach a brief statement to your entry explaining what your quilt is celebrating.

PRIZES: 1st Place \$50.00

2nd Place \$30.00

3rd Place \$20.00

DO NOT place your name on the quilt but ONLY put the number on the back that is on the bag your fabric was in.

ALL quilts are due at the May meeting and the prizes will be awarded at our June potluck and installation of officers.

If you have any questions or concerns please let me know.

Let's see how innovative you can be and Good Luck!

Terry Harman
