

WINDSWEPT QUILT WORKSHOP SUPPLY LIST

June 13, 2026

At The Oaks Clubhouse, 9 a.m. – 4 p.m.

The quilt can be made in three different sizes: Full – 84 x 84
Lap – 59 x 59
King – 109 x 109

Attached are the fabric requirements for each of those sizes.

Once all members sign up for the workshop, I will order the patterns at \$12.00 and distribute them before the class.

After receiving your pattern, you will need to cut out all the paper templates provided for each of the flower petals, etc. All pattern pieces need to be cut out before the workshop. You will learn to sew drunkards path blocks (Petal blocks) if you haven't already made them. This will involve pinning and sewing blocks together on a curve. Not that difficult and very fulfilling after you achieve that skill.

You need to bring your normal supplies needed to complete a quilt top: sewing machine, thread, scissors, rotary cutter, pins, ruler, cutting mat, etc.

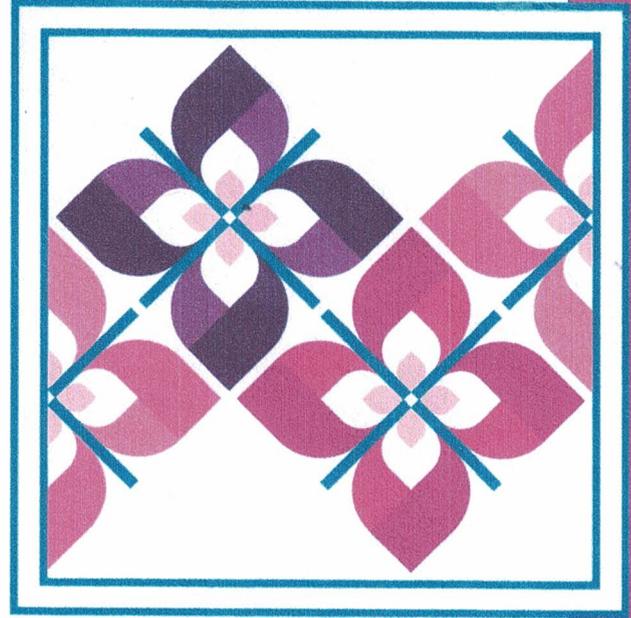

If you have any questions, please contact me at (916) 335-1403 or kdsansone@gmail.com.
