

Snail Trail

Finished band is about 7" x 42"

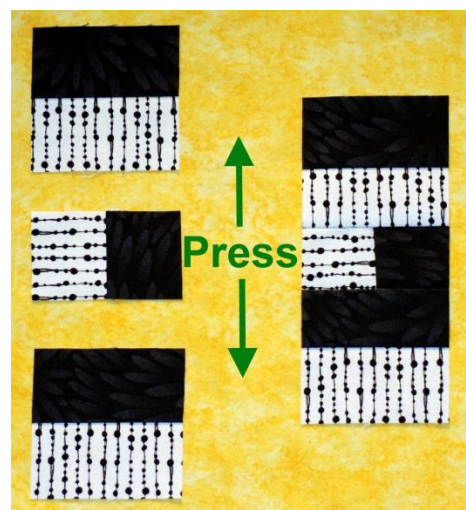

Fabric

You will need 2 fabrics for the **Snail Trail** band. For the best visual effect, use high contrast fabrics. A solid paired with a stripe, dot or small print would look great. Cut all strips the width of the fabric (selvage to selvage).

- Fabric A (white in example)
 - Cut (5) 1 ½" strips
- Fabric B (black in example)
 - Cut (5) 1 ½" strips

Construction

- Sew 3 pairs of A-B strip sets.
- Set aside remaining strips.
- Press toward the darker fabric.
- Cut the 3 strip sets into the following number of segments:
 - (7) 1 ½" segments
 - (14) 2 ½" segments
 - (14) 4 ½" segments
- Sew (2) 2 ½" segments to each 1 ½" segment according the placement in the picture.
- Press.

- Sew (7) 4 ½" segments to a fabric A strip and (7) 4 ½" segments to a fabric B strip.
- Look carefully at the placement in the picture.

- Trim the segments and press.

- Join 3 segments to create a block.
- Look carefully at the placement in the picture.
- Create 7 blocks and press.

- Join the 7 blocks together.
- Press toward the darker fabric.

- Sew the remaining strips to the top and bottom of the joined blocks to finish the band.
- Press toward the strips.
